-Outstanding American High Schools  
leading to elite American Universities-

## **ABOUT USAnet#1**

- **USAnet#1 is an association of twelve outstanding, private American high schools.**
- **USAnet#1 schools welcome international students through this preferred path.**
- **USAnet#1 schools accept international students entering grades 6-12 or 9-12.**
- **USAnet#1 schools arrange or provide access to quality host families or dorm living.**
- **USAnet#1 families gain preferential access to our member schools.**
- **USAnet#1 graduates have an advantage when applying to American Universities.**
- **USAnet#1 is operated by Keith Global which is based in both China and Chicago, USA.**

# The four Most important questions every parent wants answered

## **1. Will my child be safe? YES!**

USAnet#1 schools are in upscale, professional communities, led by trustworthy adults and welcoming students. Our schools follow carefully policies when selecting teachers and host parents and caring for students within the school communities. Safety is #1!

## **2. Will these schools get my child into an outstanding university? YES!**

USAnet#1 schools have a track record of placing students in great universities (see examples in school profiles). Trained college counselors work with students and parents throughout high school to best prepare their university applications.

## **3. Will these schools have the programs my student needs? YES!**

Because we have more than 15 schools in our network, we can work together to ensure a great fit. We understand each family has unique priorities like AP classes, art and music opportunities, price, location, school size or number of international students concerns.

## **4. Will these schools care about my student individually? YES!**

USAnet#1 schools are all about personal attention. We work closely with parents to target areas that need improvement like study discipline, English practice, social skills, confidence or too much technology. We understand every child is unique and we care

# What makes USAnet#1 services different?

## **1. Fair and accurate costs**

USAnet#1 schools have reasonable and transparent fees with no surprises.

## **2. Convenient application process**

USAnet#1 is based in China allowing first student interviews in person and direct parent contact.

## **3. Fast feedback and helpful resources**

USAnet#1 gives an immediate status report (accepted, pending or not ready) at the end of the screening interview. No waiting.

USAnet#1 provides specific recommendations for improvement.

USAprep#1 introduces a variety of preparation for study abroad programs.

USAprep#1 has a variety of helpful summer English camps both in USA and China.

USAprep#1 offers support programs to international students while they are studying in the USA and preparing for university application

## **4. Accessible**

USAnet#1 receives messages every hour of every day and will respond usually within 24 hours! No “our office is closed messages” from us. We are accessible.

---

## What makes USAnet#1 services different?

### Leadership: Mr. Jon Keith:

One of the great advantages of USAnet#1 is experienced leadership. Mr. Keith knows what it takes for international students to be successful in America, having served over 35 years at one of the oldest (160+ years) and most respected private high schools in America. He has created summer camps in the USA and China that have hosted nearly 1,200 Chinese students. He has also guided nearly 300 international students into top American high schools and helped them move on to outstanding American universities.

USAnet#1 is fortunate to have one of the most experienced leaders in both the USA and Chinese educational world. Mr. Keith has spent over 10 years building relationships with families, schools and agencies in over 40 Chinese cities and he simultaneously holds part time leadership roles in various schools across China. Mr. Keith knows China and China knows him well.

## Living in the USA

USAnet#1 takes great care to ensure its students have access to the best living environments. All host families or dorm supervisors are carefully selected, trained and supervised. We emphasize ongoing and timely communication between home families and USAnet#1 schools and chaperones.
